F0203	Before a facility transfers or discharges a resident, the facility must notify the resident and, if known, a family member or legal representative of the resident of the transfer or discharge and the reasons for the move in writing and in a language and manner they understand; record the reasons in the resident's clinical record; and include in the notice the items described in paragraph (a)(6) of this section.  Except when specified in paragraph (a)(5)(ii) of this section, the notice of transfer or discharge required under paragraph (a)(4) of this section must be made by the facility at least 30 days before the resident is transferred or discharged.  Notice may be made as soon as practicable before transfer or discharge when the health of individuals in the facility would be endangered under (a)(2)(iv) of this section; the resident's health improves sufficiently to allow a more immediate transfer or discharge, under paragraph (a)(2)(i) of this section; an immediate transfer or discharge is required by the resident's urgent medical needs, under paragraph (a)(2)(ii) of this section; or a resident has not resided in the facility for 30 days.  The written notice specified in paragraph (a)
